

No-Rim-Cut Tires 10% Oversize

Ask Mr. Brown

Ask any of your many neighbors who now use these new-type Goodyear tires.

Users are everywhere—hundreds of thousands. You are surrounded by evidence of No-Rim-Cut economies.

Please ask for it. Find out why these tires now outsell all the rest.

An Example

Two cars were standing at a curb. One had old-style clincher tires, one No-Rim-Cut tires.

The clincher user was asked why he clung to those tires. "Why," he replied, "because of the mileage. I get so many miles per tire."

"Let's see what the next man gets." And they asked the No-Rim-Cut user. His average mileage was nearly twice as great.

Why It Is So

Rim-cutting ruins 23 per cent of

all clincher tires, by actual statistics. It never occurs with No-Rim-Cut tires.

Clincher tires are made just rated size. No-

Rim-Cut tires are 10 per cent oversize—have 10 per cent more air.

And each 10 per cent one adds to the size adds, on the average, 25 per cent to the mileage.

No-Rim-Cut tires now cost no more than standard clincher tires. They do save money—save so much that they lead the world in sales.

Men are coming to these tires so fast that Goodyear sales last year exceeded our previous 12 years put together.

Come see them. The features we claim are apparent. And they are bound to win you to Goodyear

tires when you find them out.

Write for the Goodyear Tire Book—14th year edition. It tells all known ways to economize on tires.

Yes, it rained yesterday, and the boys were all moping and complaining about being forced to sit under the friendly awnings of the corner grocery store and talk about what might have been.

GOOD OLD T. W. HARPER WHISKEY.

Words cannot describe the delicious flavor of this fine old whiskey. From choicest materials and by scientific blending of fine whiskeys we produce a taste of incomparable mellowness. Words can not possibly make you understand the superiority of this fine old whiskey. You have simply got to try it.

together like a well-built machine, and they do not expect to lose a game this season, thereby establishing a record.

"Cheesie" Liebs will, in all probability, abandon the Roanoke club and stay in Richmond to take up his old job of catching for the Grays. Liebs thinks that if he sticks with Roanoke, that as soon as their regular catcher is well enough to play ball, that he will be cut off, and then it will be too late for him to get into the amateur ranks.

A meeting of the Southside League will be held at the office of the secretary of the commission on Wednesday night at 8 o'clock sharp. All officers and managers are requested to be present promptly.

The Collegians are all in fine shape, and claim that they are going to carry off the honors in the Capital City League. Fergus McFee, who is playing second for the Collegians, is playing a great game at this station, and is a tower of strength to his team.

Walker Poh, short stop of the Grays, is expected back from college this week, and will at once take up his position with this team. Walker is about one of the best infielders in the city, and has been greatly missed by his team.

Napier, of the Portner's Brewing Company, is one of the best catchers in the Richmond League, and is certainly a hard worker for his team.

Sale, the star third baseman of the Cherry Smash, is putting up a game that is very seldom seen in amateur ranks.

Burk & Co., the team that has had a little trouble in signing men, has gotten together one of the best teams in the league, and Manager Bullock's players will give some of the teams of the Richmond League a run for the pennant honors before the season is over.

Portner's has a bunch of ball players that are equal to any in the Capital City League.

Hamlet, the clever outfielder of the Hustlers, is leading the league in extra base hits. Out of the first four games of the season he has three home runs and a three-bagger to his credit.

Duke, of last year's Giants, is pitching good ball for the Wizards, but the team is not giving him the support they are capable of doing.

The Manhattan has changed their name to Jones-Green Shoe Company.

Ducky Amos is putting up a star fielding game at short for the Jones-Green boys, and is also hitting the ball hard.

In Gray, the Ramblers have about the best all-round utility man in the game. He puts up a good game in any position he plays.

Woodland Heights, after winning the opening game, seems to have struck the totem and have lost three straight. Get together, boys, the season is young yet, you still have a look in for the pennant.

Outfielder Ball, of the Brownies, has been suspended by Manager Whitlow for failure to report to the games.

Eddie King is putting up a good game behind the bat for the Hustlers, and is catching Haskins in big league style. The battery work of this pair is largely instrumental in the standing of the Hustlers at the present date.

President Wallis, of the West End League, is having his trouble with the teams in his league. The Albemarle, of this league, have been expelled from the league for failure to live up to the rules of the league and the commission, and the Fairmount Giants have been put in their place.

President Crowder, of the Richmond League, is one of the most enthusiastic amateur baseball men in the city, and is looking after the interests of his league like a man.

The Richmond League is in need of a good umpire, and if there are any not working they can call up Madison 722-J and ask for President Crowder, who will be glad to talk on the subject of terms.

The Swansboro team, of the Southside League, forfeited their game to the Sterlings yesterday after refusing to play on account of the condition of the grounds.

Umpire Bottoms, of the Capital City League, is winning the fans in this league by his prompt decisions and courteous ways.

Kahn, of Richmond, has secured the services of Catcher Chittum, formerly of the Grays. Chittum caught for Horace S. Wright, of this league, last season.

Grammar School Baseball League

Rain prevented the playing of the deciding game in the western section, and the game will be played at Byrd Park on Tuesday afternoon. Jackson and Fox Schools are the contenders for the western championship. The winner will play Chimborazo, of the eastern section, for the championship of the city. The first of the series will be played on the C. A. diamond on Friday at 4 o'clock, and the second on the following Monday at Byrd Park. Should a third game be necessary the time and place will be decided later.

HERESHOFF WINS OAKLAND TOURNEY

Bay Side, L. I. N. Y., May 17.—Fred Hereshoff won the Oakland Invitation Golf Tournament today, but he had a most strange time of it in gaining his victory. He began to play against Jerome Travers in the semifinal round, and after he had disposed of the national champion by three up and one down, he had to play two extra holes in the final against Gardner White, the champion and prize of the home club. White reached the final by defeating Roy Webb, of Englewood, by one up in a close morning match. The final was played in a drizzling rain.

Paul Takes Match.
Columbia, S. C., May 17.—Paul, of the Mecklenburg Country Club, of Charlotte, today won the championship of the Carolina Golf Association, defeating Charles Munnell, of Ridgewood Club, Columbia, 7 up and 5 to 0. In the second night McFadden, of Ridgewood, beat Bond of Charleston Country Club, 1 up in 19 holes.

Wray to Coach Arundel.
Cambridge, Mass., May 17.—As soon as the big four-mile variety race between Yale and Harvard is rowed on the Thames, June 20, Coach James S. Wray, of the Crimson crewmen, will go to Baltimore to take charge of the Arundel Boat Club rowing for the summer. He takes the place of Jim Rice, the Columbia coach, who in turn is to go to take charge of the Ottawa Boat Club rowing.

Murder and Suicide.
Vallejo, Cal., May 17.—J. E. Rainey, an electrician of the first-class attached to the receiving ship Cleveland, was shot dead today by Joseph Hovey, an employee of the Mare Island Navy Yard. After this tragedy Mrs. Hovey, by committed suicide by swallowing poison. Hovey's returning home unexpectedly, surprised his wife with Rainey.

Diamond Tires give more mileage because they are now made of Vitalized Rubber

Buying tires is buying rubber

shod mileage—and in making Diamond Tires of Vitalized Rubber we build the "More Mileage" that you have demanded into the tire itself—taking care of your tire troubles in advance.

Diamond (No Clinch) Tires

And let us tell you right here just what Vitalized Rubber is.

Our chemists have discovered a process which toughens the pure gum, giving the tire a tough, flint-like, resilient tread—a tire made of lustrous, young rubber, giving you the utmost mileage at no additional expense.

Other Diamond advantages—Perfect 3-Point Rim Contact, No-Pinch Safety Flap for inner tube protection—and, if you wish, the famous Diamond Safety (Saweegee) Tread!

So this time buy Diamond Vitalized Rubber Tires—you can get them to fit your rims at any of the
